

Ceiling lamp

LUNAR – 627514000

incl. 1x SMD LED, 22W · 1x 2460lm, 3000K

- Remote control
- Integrated dimmer
- Night light
- Not suitable for external dimmer
- Registered model
- Wall- & ceiling mounting
- IP20

Bring the moon into your home! The TRIO LUNAR ceiling light impresses with its unique technology and conjures up impressive lighting moods. The enclosed remote control can be used to display individual moon phases and thus provide the right lighting as required. In addition to an integrated dimmer for adjusting the brightness, a night light can also be activated. If the light is controlled via the remote control, a memory function ensures that the last selected light setting is recalled when the light is switched on again. The light has a diameter of 40 cm and can be used in the bedroom, living room or hallway. The cover of the ceiling light has a slightly grey-brownish shimmering texture that is reminiscent of the surface of the moon. In addition, the luminaire features modern LED technology, which is characterised by high light quality and energy efficiency. Compared to conventional halogen lamps, up to 80% of energy costs can be saved. In addition, LED light sources have a long service life, produce less heat and protect the environment.

Material construction

Acryl · White

Product dimensions

Height: 10cm
Diameter: 40cm
Weight: 0,9kg

Technical data

Light source: SMD – LED (integrated)
Watt: 22W
Lumen: 1x 2460lm
Kelvin: 3000K
Color rendering (CRI): > 80 CRI
Lifetime: 30000H
Switching cycles: 15000x ON/OFF

operating voltage: 230V ~ 50Hz
Protection grade: 2
IP classification: IP20

Dealer information

EAN Code: 4017807401837
Customs number: 94051140900

Packaging dimensions & weight

Quantities: 1

Width: 45cm
Height: 45cm
Depth: 11,5cm
Weight: 1,6kg
